
Sims 3 First Person Mod

So you can get higher resolution portrait shots of your Sims (1920px height instead... I didn't know the Sims 3 had a first person camera view â™Œ - - - The Sims 3 First Person View First person camera view I created to give the character a more realistic look. The first person view can be useful for creating very accurate portrait shots of Sims, such as creating portraits showing the Simsons that look quite natural. My camera has an option to mimic the view we see at first glance, we can right click on the (sim) icon to open its settings.
