SMTP TesterMonday, 1 October 2009 For those of you still wondering, DC has just released their first ever gallery show in which you can see all four previous collections available for pre-order. It's called Art of The DC Universe and looks absolutely stunning. There are photos of

the items you can pre-order, and art from the items. I thought I would post some photos to show you what it looks like in the flesh. They really are very lovely and I'm very impressed with the designs they have produced so far. If you want to see the photos, check out the link to the gallery below. More news about DC's NEW!
