Elden Ring Features Key:

By playing alone or with friends, a higher level can be obtained. Even if you play alone, a hard mode, named the **Graveyard Hard** mode, can be selected. The name is temporary. In addition, strong enemies appear in the Graveyard Hard mode.
Play with a large party, or with large scale events. You can play with a party of up to 10 characters in multiplayer mode. But you can also enter a new adventure and drag people in as you progress.
Battles against other players become more fierce. The leader of a party that you join will be in charge of monitoring the battle. You can also use a "heroes" or "summoner" that is special in the party as the battlefield commander. As a result, you can enjoy a more exhilarating campaign battles.

Information about the game can be found on files/eldendungeon">SpritesForums and SpriteMods.

Tue, 18 Jul 2018 20:24:21 GMTHello!I think you forgot to put the release date of the patch ^^ You should add the date to be "today" to lower the annoyance for the players.. Here you have all my opinions and request. The first 4 complaints, I'll give my opinion for each one: The first complaint, I mostly agree with the error: "a domain name is not a password...." Since the Graphic Langage goes to French, I understand this one.. You said it's because of your personal preference of french localization... So

Introduction 【Game Application Overview】 1. Game Visuals 【Game Screenshots】 2. Gameplay 【Introduction】 ● Gameplay overview: In the world of Tarnished, the Lands Between that lies between both worlds, the Seven Elden Lords rules the Lands Between. The beautiful Elden Land, the Elden Ring, and the wonderful Goddess, Amant. The Elden Lords each only have limited time to become an Elden Lord, and the lands surrounding them are becoming desolate due to the lack of the divine power in the Elden Ring. As the creator of the Goddess, whose power saved them from the threat of the Elder Gods, they have the duty of protecting the land. The Lord is a legendary power of the Lands Between. Among the ranks of the Elden Lords, the talents of each are different. Each Lord is a hero who knows how to use their own strength to protect the people. The Lord has a strong sense of duty, allowing them to easily combine the powers of weapons and magic. Even if they are not your favorite Lord, it is recommended that you follow their stories. ● What is the Lands Between? The Lands Between are the worlds where the Elden Lords live. There are seven Elden Lords. Each Elden Lord lives in their own vast lands. Each Lord has a wall that stands as a barrier between their land and the lands outside of it. The wall has a sloped surface that advances, and towers are built on the wall. A large amount of great powers and magic reside in the inner space of the wall. In this great vast land, the pace of life is slow and the atmosphere is peaceful. The Lords from the outside world are filled with emotion, and their respective lands get darker and the pace of life gets faster. These influences can be seen throughout the Lands Between. ● Original World Land The world where the original world land, the God's land, and the brave world live. The island where Amant and the Elden Lords reside. Their homeland. Please return to the home after you have registered with your email address. Overview of the world 【The World of Tarnished】 ● The world of Tarnished, the most complete fantasy action RPG, is full of a vast world full of excitement where you can experience a totally different fantasy. ● World Map 【World Map】 Explore the world
