gpu-Zerostack - an Autonomous Firmware Router

In this week's GPU-Zerostack, I'm going to be focusing on GPU Architectural changes and comparisons, not only how the new cards affect the current benchmark results and our drive to get a more detailed review out, but also how other games (like Rise of the Tomb Raider, The Witcher 2 and SoulCalibur VI) are structured, so the hardware makers have to adopt specific new thermal benchmarks and hopefully a new demagnetization algorithm that actually proves to work, as well...
