Downloaded 590054 You are downloading the highster mobile app or the highster mobile highster mobile tracker app from the Google Play Store. Highster Mobile is a great tool to keep an eye on your partner, your spouse or your child's phone activities. This application is designed to help you find all your lost, stolen or shared mobile phones, tablets, laptops, music players, cameras and as well as other popular hand held electronic devices. Highster Mobile is a powerful tracking app for Android devices, it gives you the ability to monitor your highster mobile tracker app device. Highster Mobile has built in Find My Phone functionality that will assist you in returning your lost or stolen mobile phone back to you. Highster Mobile is the ultimate parental control tool to keep an eye on your child's highster mobile tracker app activities. Highster Mobile has a text message tracker which will keep a record of all highster mobile tracker app SMS messages sent and received and a call tracker will monitor the calls made on your phone. View and view history of pictures, videos and other data saved in the phone. View all calendar activities from your device. Keep an eye on highster mobile tracker app all communication on the phone. Listen to what's being said on your highster mobile tracker app during calls. Report stolen or lost phones to the manufacturer. Highster Mobile is an application that has really just hit the market and so far it is really a good app and it has a good capability, but we hope to add more functions to it in the future. What highster mobile tracker app we have found interesting so far is that it monitors mobile phone activity and it has done this very well. All the data is stored on the phone and it's easy to go back and check this data from any phone device. There are many other apps for this same feature, but not all of these apps have the feature of messaging, call logging and lost property report functions and so on. Highster Mobile allows you to do this all in one app and it is
