The latest scene of Michael Fassbender is featured in The Place beyond the Pines.SIGGRAPH 2018 runs from July 9 to July 14, 2018, in Vancouver, British Columbia. SIGGRAPH 2018 is the premier annual conference for developers of GPU-accelerated graphics, VR and AR. We are thrilled to announce the 2018 conference faculty lineup. SIGGRAPH 2018 will take place from July 9 to July 14 at the Vancouver Convention Centre, in the Vancouver Exhibition & Convention

Centre. The conference will include tutorials, keynote and technical presentations, and exhibits that showcase cutting-edge technology in graphics, VR/AR, computer vision, and AI. The 2018 SIGGRAPH Conference will feature a diverse schedule of keynotes, technical sessions, and educational events. Sessions are designed to appeal to both professionals and students, with a large focus on practical application of current technologies in games, VFX, VR, and AR. Keynote speakers include: Francesco Zelli, Technical Director, Papervision3D, Quinn Forsyth, Director of Technology, Nvidia, Jun Wu, Professor, University of Washington, Isabelle Moutant, CEO, Alias Wavefront. The following interesting topics will be discussed at this year's conference: 595f342e71
