Elementary Statistics - Zwierleins - Zwierleins - WZwierleins An important tool to prepare this manual is given in online. What is the significance of this manual? In any research project in any discipline we need first to understand what method we will use to solve the problem under consideration. A Basic competence in statistical tools and methods is essential for every researcher and is a must. The book comes under the theme of Statistics. Statistics deals with the experimental data as well as with the data which is derived from observations made on the real physical world. A Statisticians employ more than one tool to analyze the data in the form of "pioneer". This word is attributed to Andrey Kolmogorov, the Russian mathematician, in 1933 when he "founded the modern theory of probability". This is the first modern system which manages to provide tools to calculate the statistical correlations and the statistical distribution of the experimental data. This tool was later named "Zwierlein" in honour of Andrey Kolmogorov in 1958. Advantages and Disadvantages Of Eduon Superiore? 1. Eduon has the qualities such as practicality, efficiency, and offering the best result for the cost. Advantages Of Eduon Superiore : 1. Eduon is an internationally oriented institute. 2. Eduon is a very well-known institute in this field. A It has a very old tradition of offering various courses. 3. Eduon offers the best exposure and practical knowledge to the students. 4. Eduon has the best and cheapest results. 4. The best exposure and practical knowledge is provided by Eduon. Eduon main areas and services are : 1. Consulting in all the branches of Engineering. 2. Research and development. 3. Industrial training and advisory services. 4. Courses, seminars and conferences. 5. Industrial Projects 6. Educational projects. 7. Students and visiting scholars 8. Homeworks, submission of thesis and Dissertation 9. Consulting, Project advice and Consultation 10. training of employee. Advantages and Disadvantages of Eduon Superiore: 1. Many centers are established in India by Eduon. So if you join then you get the advantage of travelling
