This report aims to provide the necessary information and background for analysing the Berkshire Hathaway Inc. thesis, and its financial basis. In this report, we shall see the critical developments that led to the corporation's success, how it succeeded and the consequences of its efforts. This report aims to provide the necessary information and background for analysing the Berkshire Hathaway Inc. thesis, and its financial basis. In this report, we shall see the critical developments that led to the corporation's success, how it succeeded and the consequences of its efforts. The Berkshire Hathaway Inc. MBA thesis is derived from three works. Firstly, I use the published annual and quarterly reports which are easy to find on the internet and, in addition, extract relevant material from the articles which were published by The Wall Street Journal, The New York Times, The Washington Post, Business Week and Reuters. Secondly, I take up the History of Berkshire Hathaway Inc. by Jeremiah G. Rice and Myron S. Cohen. The book is a good reference and the author's view on the conditions and movements of American financial markets during the period under discussion can be found very interesting. Finally, I analyze the statement of Warren Buffett in which he describes his contribution to Berkshire Hathaway Inc. and its strategy. After his death, a

number of commentators' books were published to support the thesis that he was the best manager of all time. The Berkshire Hathaway Inc. was founded in May 1965 by Warren Buffett when he was 25 years of age. He took over a firm called Washington Trust Company in 1962 and transformed it into a diversified conglomerate which now serves as a metaphor for all successful business ventures. Buffett wanted to invest his money in socially useful firms and assets. In his statement, Buffett has said that he started reading the annual reports in 1965 when Berkshire Hathaway Inc. was at its lowest point. His firm has since then become a rich and successful financial company with shareholders across the world.
