crepkas 7b17bfd26b zethkri - February 15, 2022 at 8:50 pm "When I first started at The Workshop I was still very young. I had just graduated and needed a job so I could buy a bike and ride it to the mountains on my vacation. I got an interview and was invited into the office. I remember the first time I walked into The Workshop. It was as if I had entered another dimension for the first time, where there is only work and the people that go along with it. When I first walked into the office, I was excited. ð
